Usability Intro

For the first portion of the survey, we will be asking you to evaluate the usability of the tool, focusing on the features in the right panel (feedback, principle tabs, and design elements). Please let the interviewer know if you need a reminder of what these components refer to in the tool.

Usability

For each of the options below, please evaluate the following statement:

The feedback portion of the tool was ___.

	Strongly disagree	Disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Agree	Strongly agree

Performance Intro

Next, we'll ask you to self-evaluate your design(s) from the design task.

Performance

Please rate your agreement with the following statements

	Strongly disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Strongly agree
I like my design before my final revision.	○	○	○	○	○
I believe my design before my final revision addresses design principles well.	○	○	○	○	○

design principles well.					
I believe I can apply the design principles in future design tasks.	○	○	○	○	○

CSI Intro

Next we will ask you to assess the tool's ability to support your creative process along six factors.

There will be two sets of questions for each of the six factors (twelve in total). There will then be pairwise comparison questions to determine the relative importance of each of the six factors for this task.

Again, please focus on the features in the right panel (feedback, principle tabs, and design elements).
