- 2025 – present **National University of Singapore**
Assistant Professor in Computer Science · Smart Systems Institute Affiliate
- 2024 – 2025 **Stanford University**
Stanford HAI Postdoctoral Fellow
National University of Singapore Adjunct Professor · Smart Systems Institute Affiliate
Mentor · *James Landay*
- 2021 – 2024 **University of California, San Diego**
La Jolla, CA
Design Lab Postdoctoral Fellow in CSE & Cognitive Science
Mentors · *Haijun Xia & Steven Dow*
- 2014 – 2021 **Stanford University**
Stanford, CA
PhD in Computer Science · d.school Creativity in Research Scholar
Advisors · *James Landay & Pat Hanrahan*
Committee · *Maneesh Agrawala, Scott Klemmer & Ge Wang (chair)*
Dissertation · *Artistic Vision: Providing Contextual Guidance for Capture-Time Decisions*
- 2008 – 2012 **Princeton University**
Princeton, NJ
Bachelor of Science in Engineering · cum laude
Advisors · *Thomas Funkhouser & Szymon Rusinkiewicz*
Major · *Computer Science*
Certificate · *Applied & Computational Mathematics*

awards & grants

- 2024 Invited as a Heidelberg Laureate Forum Young Researcher
2023 CHI Best Paper Award
2022 Selected for Rising Stars in EECS Workshop
2021 – 2023 UCSD CSE's Debut Postdoctoral Fellows Program
2018, 2021 Adobe Research Collaboration Grant
2019 Hasso Plattner Institute Design Thinking Research Program
2018 – 2020 Microsoft Research Dissertation Grant
2015, 2017, 2018 The Brown Institute for Media Innovation: Magic Grant · Artistic Vision / Camera Observa / G:Drone
2016 The Brown Institute for Media Innovation: Magic Grant & Fellowship · RoughCut
2015 Microsoft Research Women's Scholarship
2015 NSF GRFP Honorable Mention
2008 Edward J. Bloustein Scholar
2008 West Windsor-Plainsboro High Honor Award, Service Award & PTSA Scholarship Award
2007 1st place in NJIT High School Programming Contest

work experience

- Summer 2018 **Adobe Research** · Emerging Graphics Group Intern · *Mentor: Jose Echevarria*
San Jose, CA
• Designed and implemented in-camera adaptive composition guidance interface in iOS
- Summer 2017 **Microsoft Research** · Research Intern · *Mentor: Neel Joshi*
Redmond, WA
• Designed and implemented drone camera interface using familiar multitouch gestures in iOS
• Collaborated on design and facilitation of interviews to understand accessibility of mobile photography
- Summer 2015 **Adobe Research** · Creative Technologies Lab Intern · *Mentor: Floraine Berthouzot*
San Francisco, CA
• Designed and implemented a Unity-based system for previewing and capturing drone shots according to cinematography principles for dialogue scenes
- Fall 2012 – 2014 **Microsoft Corporation** · Software Development Engineer
Redmond, WA
• Developer on Photos for Windows 8 & 10: main features implemented included rotate and straighten
• Designed and implemented infrastructure / interface for internal feedback tool to assess image analysis algorithms
- Spring 2011 – 2012 **Princeton Graphics** · Undergrad Researcher · *Advisors: Thomas Funkhouser & Szymon Rusinkiewicz*
Princeton, NJ
• Extended Chen et al.'s work on extracting feature ("Schelling") points on 3D meshes to feature lines
• Led collection and analysis of Mechanical Turk dataset of Schelling lines
• Submitted for junior independent work & senior thesis: Schelling Lines on 3D Surface Meshes
- Summer 2010 **Microsoft Corporation** · Software Development Engineer Intern
Redmond, WA
• Developer on Photo Gallery: implemented prototype of color filter search and grouping by image similarity (based on a Microsoft Research library)

Summer 2009 Princeton, NJ	Princeton Summer Programming Experiences · Participant <ul style="list-style-type: none"> Implemented handwriting recognition program using neural networks Program run by Professor Kevin Wayne for prospective Computer Science students to work with a graduate student mentor on a self-selected project
Summer 2007 Beijing, China	Microsoft Research Asia · High School Research Engineer Intern <ul style="list-style-type: none"> Implemented algorithm to analyze data to differentiate between inline, superscript, and subscript text for the handwritten mathematical formula recognition project

2023 – 2024 UCSD	UCSD Design Lab Impact and Student Culture Organization (DISCO) · Founding Member <ul style="list-style-type: none"> Part of the initial team of Design Lab members working with the director to design and implement programs around building a culture of service and community at the Design Lab Co-led initiative to create a mentorship program within the lab
Summer 2021 UCSD	Learning@Scale / EMOOCS 2021 · ConferenceBuddies Co-Organizer <ul style="list-style-type: none"> Helped organize a new initiative to match first-time conference-goers with more senior attendees (with Armando Fox, Berkeley)
Spring 2021 UCSD	UCSD CSE Early Research Scholars Program · Application Reviewer <ul style="list-style-type: none"> Reviewed essay questions from student applications Team-based research apprentice experience for underrepresented students early in CS career
Fall 2020 Stanford	Stanford CS Student-Application Support Program · Application Reviewer <ul style="list-style-type: none"> Student-led program to assist underrepresented CS PhD applicants Reviewed and gave feedback to PhD applicants on application materials
2020 – 2022 Stanford	Stanford CS Undergraduate Mentoring Program · Mentor <ul style="list-style-type: none"> Student-led program for mentoring underrepresented undergraduates interested in research Mentored an undergraduate on college planning and seeking research opportunities
2018 – 2019 Stanford	WiGRAPH Berthouzoz Women in Research Lunch · Student Volunteer [Design & Photography] <ul style="list-style-type: none"> Assisted in contacting panelists and coordinating publicity efforts Designed publicity materials, program, and speaker gifts Networking lunch at SIGGRAPH hosting a panel of established women in graphics each year; has grown from a small informal gathering to an event with over 100 participants
2017 – 2020 Stanford	Grace Hopper Conference Career Fair · Student Representative at Stanford Booth <ul style="list-style-type: none"> Assisted students in understanding the CS PhD application process Reviewed and discussed application materials Recommended and helped initiate contact with professors Maintained contact with a number of students—one was convinced that she could apply to Stanford after we spoke at the conference and is now there pursuing her PhD
2016 – 2018 Stanford	Stanford-Berkeley Women in CS / EE Research Meetup · Co-Organizer & Photographer <ul style="list-style-type: none"> Mini conference aiming to strengthen ties between women researchers at Berkeley and Stanford Invited keynote speaker, industry research and academia panelists, organized talks and poster sessions, arranged social / networking opportunities For more information: https://stanfordberkeleyresearchmeetup.wordpress.com/
Summer 2015 Adobe Research	Girls Who Code · Intern Mentor <ul style="list-style-type: none"> Co-mentored one of the high school participants with a full-time Adobe employee
Fall 2015 Stanford	Castilleja School Girls Hackathon · Design & Tech Mentor <ul style="list-style-type: none"> Co-mentored the youngest group (6th grade) in day-long hackathon to design and implement a game
2011 – 2012 Princeton	Chinese-American Princeton Siblings · Mentor <ul style="list-style-type: none"> Mentored a local Chinese-American high school student

institutional service & leadership

- 2024 – 2025
Singapore **NUS CS PhD Admissions Committee** · Faculty Committee Member
- Reviewed PhD applications, interviewed candidates, and participated in admissions meetings
- Fall 2024
Stanford **Ethics & Society Review** · Coordinating Panelist
- Ethical reflection process for reviewing Stanford HAI seed grant proposals
- Summer 2022 & 2023
UCSD **UCSD Design Lab Undergrad Summer Research Program** · Mentor
- Mentored several undergraduate students per summer on research projects
 - Led HCI & design career panels / resume workshops for intern cohort
- Fall 2021
UCSD **UCSD Design Lab Research Meeting** · Organizer
- Invited speakers and planned activities / discussion topics for the research lab meetings
- Fall 2021
UCSD **UCSD Design & Innovation Building Spaces Committee** · Committee Member
- Discussed how to shape the framework and procedures for allocating space in the new building with a group of Design Lab faculty, postdocs, and PhD students
- 2018 – 2019
Stanford **Stanford CS PhD Admissions Committee** · Student Committee Member
- Reviewed PhD applications and participated in committee-wide admissions meetings
- 2017 – 2018
Stanford **Stanford HCI Group Lunch** · Co-Organizer
- Invited speakers and planned discussion topics for the talk series (with Liz Murnane, Dartmouth)
 - For speakers who were interested, arranged meetings with students and professors in the group
- Spring 2016
Stanford **Stanford CS PhD Admit Weekend** · Research Area Student Lead
- Organized dinner and events for Graphics & HCI PhD admits
- 2014 – 2016
Stanford **Common Origins Dance Company** · Publicity Officer
- Designed company gear and publicity materials for workshops and events
- 2012 – 2014
Microsoft **Princeton Career Fair** · Alumni Recruiter at Microsoft Booth
- Talked to students about full-time and internship opportunities at Microsoft
 - Reviewed resumes and selected candidates for on-campus interviews
 - Organized and facilitated Microsoft at Princeton Hackathon
- 2012 – 2014
Microsoft **Princeton Club of Western Washington** · Young Alumni Coordinator
- Organized mixers and events for recent graduates and interns
 - Featured on the Daily Princetonian and Alumni Association of Princeton University
- 2008 – 2012
Princeton **Triple 8 Dance Company** · President, Costume Coordinator
- Designed company gear and coordinated with choreographers to design costumes for each piece
 - Represented our company at meetings with the broader student performing arts community, ran company practices and board meetings, managed logistics for our annual show
- 2008 – 2010 **Princeton Bric-A-Brac Yearbook** · Section Editor
- 2005 – 2008 **WWP High School South Yearbook** · Editor-in-Chief, Section Editor

service to profession

- 2025 – 2026 **CHI 2026** · Associate Chair
- Subcommittee: Blending Interaction: Engineering Interactive Systems & Tools
- 2025 – 2026 **DIS 2026** · Organizing Committee
- Web Co-Chair (with Daniel Buzzo, CODE University of Applied Sciences, Berlin)

- 2024 – 2026 **Creativity & Cognition 2025 & 2026** · Organizing Committee, Session Chair
- Graduate Student Symposium Co-Chair (with Steven Dow, UCSD and Lydia Chilton, Columbia)
 - Session Title: Bodies in the Loop
- 2025 **UIST 2025** · Associate Chair
- 2024 – 2025 **CHI 2025** · Associate Chair, Student Design Competition Reviewer & Judge
- Subcommittee: Blending Interaction: Engineering Interactive Systems & Tools
- 2023 – 2024 **Creativity & Cognition 2024** · Organizing Committee, Session Chair, DEI Panelist
- Maintaining conference website as Web Co-Chair (with Grace Yen, UCSD): <http://cc.acm.org/2024/>
 - Session Title: Co-Creation
- 2023 **UIST 2023** · Associate Chair
- 2023 **XRDS: Crossroads, The ACM Magazine for Students** · Summer Issue Co-Guest Editor
- Invited authors to write articles for special issue: Computer-Aided Media
 - Co-authored an introduction to the topic and invited articles (with Sam Bourgault, UCSB)
- 2022 – 2023 **Creativity & Cognition 2023** · Organizing Committee
- Maintained conference website as Web Co-Chair (with Bradley Rey, UBC): <http://cc.acm.org/2023/>
- 2021 – 2022 **UIST 2022** · Organizing Committee, Associate Chair, Session Chair
- Designed and maintained conference website, logo, and badges as Web and Design Co-Chair (with Jasper Tran O'Leary, UW): <http://uist.acm.org/uist2022/>
 - Session Title: Storytelling and Presentation
- 2022 **CHI 2022** · Associate Chair, Session Chair
- Subcommittee: Interacting with Devices
 - Session Title: Creativity Support Tools
- 2020 – 2021 **UIST 2021** · Organizing Committee, Associate Chair, Session Chair
- Designed and maintained conference website and logo as Web and Design Co-Chair (with Toby Li, Notre Dame): <http://uist.acm.org/uist2021/>
 - Session Title: Wrangling Data for Authoring & Analysis
- 2015 – 2016 **CHI 2016** · Student Volunteer
- Volunteered at PC Meeting and at conference

teaching experience

Spring 2026	NUS CS6206: Advanced Topics in Human-Computer Interaction · Instructor
-------------	---

Fall 2023	UCSD COGS120: Interaction Design · Instructor
-----------	--

- Conceptually-focused introduction to human computer interaction with 200+ students
- Iterated on lecture topics and course assignments (including introducing a team project)
- Invited guest speakers to lecture on topics based on class interest
- Attended discussion sections to provide feedback on student projects

Guest Lectures

2021, 2022, 2025	UCSD COGS120 / CSE170: Interaction Design · Instructor: <i>Haijun Xia</i>
2023	UCSD DSGN1: Design of Everyday Things · Instructor: <i>Jim Hollan</i>
2023	UCSD COGS1: Introduction to Cognitive Science · Instructor: <i>Mary Boyle</i>
2022	UCSD DSGN118: Design for Creativity and Productivity · Instructor: <i>Haijun Xia</i>

Summer 2016	Stanford Center at Peking University:
-------------	--

Designing Solutions to Global Grand Challenges · Teaching Assistant

Instructors: *James Landay & Ge Wang*

- Sole TA for four-week intensive program with students from Stanford and Beijing
- Reviewed applications, managed course logistics, mentored student team projects
- Arranged company and lab visits (in Beijing and Bay Area) and organized final presentations both at the Stanford Center at Peking University and at Stanford d.school

Spring 2016	Stanford CS107E: Computer Systems from the Ground Up · Teaching Assistant
-------------	--

Instructors: *Pat Hanrahan, Philip Levis & Dawson Engler*

- Revised assignments, helped run labs, held office hours, graded assignments and final projects

Fall 2015	Stanford CS147: Introduction to Human-Computer Interaction Design · Head Teaching Assistant
-----------	--

Instructor: *James Landay*

- Ran weekly studios and TA meetings, managed course logistics, held office hours, graded exams and assignments, proctored exam, organized final presentations at Stanford d.school
- Awarded additional stipend for effective performance as head TA of a 200+ student class
